I have NOT spoken to the non-profit department yet, nor is this group rated yet. So prices are "worst" case.

Looks to be total trip cost per kid: \$520
Looks to be total trip cost per adult: \$665

Some caveats:

- Any trip on a Saturday will be a higher cost
- Lunches are not included so that will be extra from the snack bar each day
- Our 4 day dining package might be a 3 day with a voucher for a dinner for arrival day and a breakfast for departure day
- Gas & tolls not included
